

Ingredients

EDO WONDERLAND
日光江戸村

Shinobi Tei	Fried noodles	Wheat flour, salt, modified starch, lye water, gardenia pigment Vegetables (cabbage, carrot), medium thick sauce, vegetable oil, powder sauce Caramel color, seasoning (amino acid), acidulant, sweetener (licorice extract) Stir frying oil (rapeseed oil, soybean oil) [Some of the ingredients contain wheat, soy, chicken, pork, peaches, apples, and sesame]		
	Mochi skewer	Joshin flour, sugar, starch/sorbitol/sodium metaphosphate [Some of the ingredients contain wheat, yam, and soy] Sauce (miso, sugar, mirin, soy sauce, walnuts, honey, apple juice, perilla, salt)		
	Potato skewer	Potato, batter (bread crumbs, wheat flour, rice flour, soy flour, whole egg powder, salt, vegetable oil, sugar), chicken bouillon Seasoning (amino acid), thickener (CMC) [contains egg, wheat, chicken, and soy]		
	Shaved ice	Syrup	High-fructose corn syrup, honey, flavoring, acidulant, sugar Coloring: Strawberry (red 2), melon (yellow 4, blue 1), lemon (yellow 4)	
		Raw syrup	Strawberry (sugar, strawberry, raspberry, citric acid) Melon (sugar, melon, coloring agent [safflower yellow, gardenia blue pigment], fragrance) Lemon (sugar, Meyer lemon juice, Meyer lemon)	
			Milk	Raw milk, sucrose
	Soft serve ice cream	Corn cup [flour, cornstarch, vegetable oil, sugar, cornflour, salt] Modified starch, coloring agent (annatto), fragrance, swelling agent, coloring agent (caramel), calcium hydroxide] Ice cream [dairy, sugars (glucose, sugar, starch syrup), erythritol, egg yolk] Dextrin, western liquor, trehalose, emulsifier, fragrance, stabilizer (polysaccharide thickener)]		
	Miso oden	Konjac, sauce [miso (soybean, rice, salt, alcoholic spirit), sugar, coarse sugar, sake, mirin (syrup, brewed seasoning alcohol, salt)]		
Sweet sake	Rice, rice malt, sugar, salt			

Shinanoya	Sencha	Green tea (domestic)	
	Hojicha	Tea leaves	
	Yuzu tea	Yuzu, sugar, acidulant (citric acid), gelling agent (carrageenan)	
	Yuzu soda	Yuzu, sugar, acidulant (citric acid), gelling agent (carrageenan), carbonated water	
	Coffee	Oiran Coffee	Coffee beans (raw bean producing country: Ethiopia, etc.)
		Cold brew coffee	Coffee beans (raw bean producing country: Indonesia, etc.)
		Decaf coffee	Coffee beans (raw bean producing country: Brazil)
	Decaf black tea	Black tea, bergamot fragrance	
	Apple juice	Apple (produced in Aomori Prefecture), antioxidant (vitamin C)	
	Sweet sake	Rice malt (domestic rice)	
	Chilled sweet sake with Tochiotome	sweet sake (rice malt (domestic rice)), strawberry sauce (strawberry fruit, sugar)	
	Rooibos tea	Tea leaves	
	Bamboo charcoal roll cake	Bamboo charcoal roll	Liquid whole eggs (manufactured in Japan), flower paste, sugar, foods whose main ingredients are milk, etc., wheat flour, isomalto-oligosaccharide, milk, edible blended oil, processed oil (reduced starch syrup, vegetable oil), corn starch, cocoa powder, adzuki beans, cinnamon powder/edible charcoal powder, thickener (modified starch, polysaccharide thickener), emulsifier, seasoning (amino acid), fragrance, pH adjuster, coloring agent (gardenia, carotene), stabilizer (xanthan), antioxidant (V.E), silicone, (contains egg, wheat, milk ingredients, and soy)
		Powdered sugar	Granulated sugar, oligosaccharide
		Whipped cream (red)	Dairy products (made in Japan, made in Belgium), dextrin/emulsifier, sodium caseinate, sodium metaphosphate, stabilizer (polysaccharide thickener), fragrance (contains milk ingredients and soy)
		Whipped cream (green)	Vegetable oil (made in Japan), dairy products/emulsifier, fragrance, sodium metaphosphate, stabilizer (polysaccharide thickener), carotene pigment, (contains milk ingredients and soy)
		Pumpkin seeds	Pumpkin seeds
		Soybean flour warabi mochi	Sugar (made in Japan), maltose, soybean flour (soybean), agar, lotus root starch, bracken sugar/modified starch, trehalose, (contains soy)
		Cookie dough	Wheat (made in the United States or Japan), bamboo charcoal powder, raw milk (produced in Hokkaido), salt
	Miso and pumpkin pudding	Eggs, milk, pumpkin seeds, bean paste (adzuki beans, sugar, salt)	
		Pumpkin paste	Pumpkin, reduced starch saccharide/trehalose, alcohol, antioxidant (sodium erythorbate), thickener (xanthan gum), yucca extract, preservative (polylysine)
		White miso (rice miso)	soy (USA, Canada, or others) *Not genetically modified Rice, salt/alcohol
		Caster sugar	Raw sugar (manufactured in Thailand, Australia, or others)
		Pearl agar 8	Locust bean gum, carrageenan, potassium dihydrogen phosphate, food materials
		Soybean flour	soy (separately produced and distribution control completed)
		Whipped cream (red)	Dairy products (made in Japan, made in Belgium), dextrin/emulsifier, sodium caseinate, sodium metaphosphate, stabilizer (polysaccharide thickener), fragrance (contains milk ingredients and soy)
		Whipped cream (green)	Vegetable oil (made in Japan), dairy products/emulsifier, fragrance, sodium metaphosphate, stabilizer (polysaccharide thickener), carotene pigment, (contains milk ingredients and soy)
		Cookie dough (Halloween period only)	Wheat (produced in the United States or Japan), bamboo charcoal powder, raw milk (produced in Hokkaido), salt
	Cream anmitsu	Agar	Agar (made in Japan), brewed vinegar
		Candied chestnuts	Chestnut (China), sugar/antioxidant (V.C), gardenia pigment, bleach (sulfite)
		Candied sweet potato	Sweet potato, sugar, starch syrup, salt/sodium metaphosphate, gardenia pigment, vitamin C
Matcha warabi mochi		Sugar (made in Japan), maltose, matcha green soybean flour (soybean, matcha), matcha, agar, lotus root starch, bracken sugar/modified starch, trehalose, coloring (yellow 4, blue 1), (contains soy)	
Kuromitsu		Sugar, high-fructose corn syrup (made in Japan), black molasses/preservatives (sodium benzoate, peroxybenzoic acid)	
Tri-colored dango		Rice flour preparation (rice flour (rice (domestic), sugar)), sugar/thickener (modified starch), sweetener (sorbitol), modified starch, enzyme (derived from wheat, soybean), calcium carbonate, coloring agent (yellow 4, red 102, yellow 5, blue 1, red 2)	
Bean paste		Adzuki beans, sugar, salt	
*Plus, you can choose your ice cream from "Vanilla/Matcha" below.			

Shinanoya	Ice cream set (1 type of ice cream + rice cracker)	Vanilla ice cream	Milk, dairy products, sweetened egg yolk (contains eggs), starch syrup, granulated sugar, glucose, Vanilla paste (caster sugar, vanilla beans)/thickener (guar gum), fragrance
		Matcha ice cream	Milk (made in Japan), concentrated milk, beet granulated sugar, cream, skim milk powder, glucose, matcha, Powdered candy/emulsifier, stabilizer (polysaccharide thickener), (contains milk ingredients)
		Tochiotome ice cream	Cream (made in Japan), sugar, strawberry puree (strawberries (Tochiotome), sugar), skim milk powder, Powdered candy/emulsifier, stabilizer (polysaccharide thickener), fragrance, red beet pigment
		Rice cracker	Non-glutinous rice (100% domestically produced), soy sauce (contains wheat and soy), sugar, vegetable oil, Starch hydrolyzate, starch, mirin, paprika, chili pepper, salt/seasoning (amino acids, etc.), caramel color
	Warabi mochi	Sugar (made in Japan), maltose, soybean flour (soybean), agar, lotus root starch, warabi sugar/modified starch, trehalose, (contains soy)	
	Shiratama goldfish	Glutinous rice (domestic), coloring agent (red 102), dextrin, L-tartaric acid 99.5%	
	Oshiruko	Mochi (glutinous rice (domestic)/modified starch), koshian (adzuki beans, sugar, salt)	

Japanese soba Yabu	Edo seiro	Sauce	Radish soup, mirin (made in Japan), rice miso, bean miso, bonito flakes extract, dried sardine extract, sugar /seasoning (amino acids, etc.), (contains soy)
		Soba	Buckwheat flour, wheat flour, plant-derived gluten
	Seiro	Sauce	Soy sauce, mirin, sugar, bonito flakes
		Soba	Buckwheat flour, wheat flour, plant-derived gluten
	Tororo seiro	Sauce	Soy sauce, mirin, sugar, bonito flakes
		Tororo	Chinese yams (including yams), green seaweed
		Soba	Buckwheat flour, wheat flour, plant-derived gluten
	Edo kakiage seiro	Sauce	Radish soup, mirin (made in Japan), rice miso, bean miso, bonito flakes extract, dried sardine extract, sugar /seasoning (amino acids, etc.), (contains soy)
		Kakiage	Tenko (tenko, wheat flour, potato starch), onion, carrots, trefoil, squid (frozen red squid)
		Soba	Buckwheat flour, wheat flour, plant-derived gluten
	Kake soba	Sauce	Soy sauce, mirin, sugar, bonito flakes
		Ingredients	Yuzu, green onion
		Soba	Buckwheat flour, wheat flour, plant-derived gluten
	Tororo soba	Sauce	Soy sauce, mirin, sugar, bonito flakes
		Ingredients	Tororo (yam (Japanese yam), oligosaccharide, antioxidant (vitamin C)), green seaweed
		Soba	Buckwheat flour, wheat flour, plant-derived gluten
	Edo kakiage soba	Sauce	Soy sauce, mirin, sugar, bonito flakes
Kakiage		Tenko (tenko, wheat flour, potato starch), onion, carrots, trefoil, squid (frozen red squid)	
Soba		Buckwheat flour, wheat flour, plant-derived gluten	
When changing from soba to udon	Udon	flour salt modified starch	
Thick fried egg	Eggs (domestic), sugar, starch, white soy sauce, soybean oil, salt, fermented seasoning, acidulant, wheat		
Fresh yuba sashimi	Yuba, soy sauce		
Itawasa	Fish meat (croaker, cod), sugar, egg white, mirin, salt, seasoning (amino acids, etc.)		
Condiments	Wasabi	Wasabi, starch syrup, oil, salt	
	Ginger	Ginger, salt	
	Tenko	Tenko, wheat, potato starch	

Kamadoya	Hanami dango (three colors)	Rice flour, sugar, mugwort paste, modified starch, enzyme, coloring (yellow 4, red 3, blue 1) (contains soy)		
	Four unglazed dango	Dango	Rice flour, sugar, emulsifier, enzyme (contains dairy products and soy)	
		Mitarashi	Sugar, soy sauce, starch, mirin, agar, coloring agent (caramel), pH adjuster (contains wheat and soy)	
		Bean paste	Sugar, adzuki beans	
	Beef tendon rice	Beef tendon, konjac, miso, sake, soy sauce, mirin, sugar, kelp, grated ginger Eggs, green onions, rice (contains wheat and soy) ("For elementary school students" does not include eggs)		
	Yuba rice	Yuba, white soup stock, soy sauce, potato starch, kelp, bonito stock Wasabi, green onion, rice (contains wheat and soy)		
	Kuzumochi bar	Ramune	Sugar (made in Japan), high-fructose corn syrup, starch syrup, confectionery mix powder (contains gelatin), Dextrin/modified starch, fragrance, acidulant, emulsifier, polysaccharide thickener, calcium lactate, Coloring agent (blue 1), brightener	
		Strawberry milk	Sugar (made in Japan), milk, strawberries, strawberry filling, confectionery mix powder (contains gelatin) /Processed starch, sorbitol, citric acid, gellan gum, strawberry flavor, Locust bean gum, xanthan gum, trisodium citrate, coloring (red yeast rice)	
		Lemon milk	Sugar (made in Japan), lemon, milk, confectionery powder mix (contains gelatin), concentrated lemon juice /modified starch, fragrance	
	Ramune	Sugar/high-fructose corn syrup (made in Japan)/carbon dioxide, acidulant, fragrance		

Kyuyama	black ninja bun	Skin (wheat flour (made in Japan), sugar, egg white, shortening, yeast, salt), vegetables (cabbage, green onion), pork, onion, Worcestershire sauce, pickled ginger, fried noodles, soy sauce, sake, mirin, oyster oil, sugar, bonito stock, seaweed/thickener (modified starch), leavening agent, pH adjuster, seasoning (amino acids, etc.), acidulant, coloring agent (bamboo charcoal powder, caramel, red 102, gardenia), emulsifier, preservative (sorbic acid K), lye water, (contains wheat, egg, soybean, pork)	
	Wild boar bun	Skin (wheat flour (made in Japan), sugar, egg white, shortening, yeast, salt), pork, onion, bamboo shoots, wild boar meat, tianmian sauce, sugar, soy sauce, Hongnan milk, shiitake mushrooms, ginger paste, granular vegetable protein, sake, sesame oil, salt, sesame seeds, thickener (modified starch), leavening agent, coloring (caramel, red yeast rice), emulsifier, pH adjuster, citric acid, silicone, (contains wheat, eggs, sesame, soy, pork)	
	Venison bun	Skin (wheat flour (made in Japan), sugar, lard, milk, yeast), venison, vegetables (onion, green onion), pork, soy sauce, sugar, starch, mirin, red wine, okara, sake, sesame oil, salt, pepper, garlic paste, / leavening agent, seasoning (amino acids, etc.), (contains wheat, dairy products, sesame, soy, pork)	
	Wasabi bun	Skin (wheat flour (made in Japan), sugar, lard, milk, green tea paste, yeast), vegetables (cabbage, wasabi, leek, onion), pork, soy sauce, starch, pork oil, pickled wasabi, (wasabi, sake lees, glucose, starch syrup, salt), sugar, sesame oil, ginger paste, alcohol, granular vegetable protein, salt, pepper/leavening agent, fragrance, seasoning (amino acids, etc.), (contains wheat, milk ingredients, sesame, soy, and pork)	
	Nyanmage oyaki	(Skin) wheat flour, glucose, salt/leavening agent	
		Custard	(Center) Milk butter flavor flower paste (vegetable oil, starch syrup, sucrose liquid sugar, sugar, etc.), modified starch, glycine, fragrance, polysaccharide thickener, preservative (sorbic acid), coloring (carotene, V.B ₂), pH adjuster, (contains wheat, egg, and milk ingredients)
		chocolate	(Center) Chocolate flower paste (sucrose liquid sugar, vegetable oil, starch syrup, etc.), modified starch, coloring (cacao), glycine, fragrance, preservative (sorbic acid), polysaccharide thickener, pH adjuster, (contains wheat, eggs, milk ingredients, and soy)
		Adzuki beans	(Center) Sugar, adzuki beans, starch syrup, salt (contains wheat, eggs, and milk ingredients)
	Domestic eel musubi (sauce)	Rice (produced in Tochigi), eel (domestic), seaweed, soy sauce, sugar, mirin, (some of the ingredients contain soy and wheat)	
	Tuna toro chimaki	Glutinous rice (domestic), bigeye tuna (domestic), bamboo shoots, green onions, ginger, dark soy sauce (contains soy and wheat), tamari soy sauce (contains soy and wheat), sugar, alcohol, edible sesame oil, edible soybean oil, white pepper	
	Shaved ice (limited time only)	Strawberry	High-fructose corn syrup (made in Japan), strawberry/acidulant, fragrance, coloring (anthocyanin, safflower yellow), preservative (sodium benzoate, peroxybenzoic acid)
		Tangerine	Unshu tangerines (produced in Korea), high-fructose corn syrup/acidulant, fragrance, paprika color, preservative (sodium benzoate, peroxybenzoic acid)
		Matcha	Sugars (high-fructose corn syrup (made in Japan), sugar), matcha/fragrance, gardenia pigment, acidulant, preservatives (sodium benzoate, peroxybenzoic acid), phosphate (Na)
		Plum	Plum, beet sugar
Assorted matcha sweets (irregular)	<p>Matcha warabi mochi Sugar (made in Japan), maltose, matcha green soybean flour (soy, matcha), agar, lotus root starch, warabi sugar/modified starch, trehalose, coloring (yellow 4, blue 1), (contains soy)</p> <p>Bean paste Adzuki beans, sugar, reduced starch syrup, salt</p> <p>Konjac mochi (Matcha bean paste) White bean paste (white raw bean paste, sugar, starch syrup) (made in Japan), sugar, konjac paste, matcha powder/modified starch, trehalose, sorbitol</p> <p>Konjac mochi (Hassaku paste) Hassaku paste (white raw bean paste, sugar, hassaku concentrated fruit juice) (made in Japan), sugar, konjac paste/modified starch, trehalose, sorbitol, fragrance, acidulant, gardenia pigment</p> <p>Konnyaku mochi (Strawberry paste) Strawberry paste (white raw bean paste, sugar, strawberry powder, strawberry seeds) (made in Japan), sugar, konjac paste/modified starch, trehalose, sorbitol, red yeast color, acidulant, fragrance</p>		
Tangerine juice	Unshu tangerines (produced in Wakayama Prefecture)		
Tangerine smoothie	Unshu tangerines, sugar, glucose, agar, konjac powder/vitamin C		

Yamakujira	Skewers	Chicken meatball skewer	Chicken, onion, breadcrumbs, starch, granulated soy protein, eggs, sugar, salt, spices seasoning (amino acids), phosphate (Na) (contains wheat, milk, and soy)
		Large skewer yakitori	Chicken meat
		Grilled duck skewer	Duck meat
		Pork rib skewer	Pork
		Sauce (chicken meatballs, yakitori, grilled duck)	Soy sauce (made in Japan), brown sugar, mirin, high-fructose corn syrup, sake, refined honey, Corn starch, miso, yuzu pepper, chicken bouillon, yeast extract, pork bouillon, (Contains wheat, soy, chicken, and pork)
		Sauce (pork ribs)	Miso (rice (domestic), soy, salt/alcohol), soy sauce (soy (domestic), wheat, salt), Mirin (glutinous rice (domestic), rice malt (domestic rice), rice shochu)
	Bento	Yakitori bento	Rice, chicken, green onion, seaweed and sesame seeds
		Pork rib bento	Rice, pork, green onion, seaweed and sesame seeds
		Meatball bento	Rice, chicken, onion, breadcrumbs, starch, granulated soy protein, eggs, sugar, salt, spices seasoning (amino acids), phosphate (Na), green onions, seaweed and sesame seeds (contains wheat, milk, and soy)
		Pickles	Radish (domestic), soy sauce, salt
		Sauce	Soy sauce, sugar, garlic, starch syrup, apple juice concentrate, mustard, edible vegetable oils (soybean oil, rapeseed oil), corn starch, onions, sesame seeds, dried garlic, yeast extract, lemon juice, onion powder, spices, bean sauce, chicken extract powder, pork bouillon (Contains wheat, sesame, soy, pork, and apples)
		Sauce (yakitori/tsukune bento)	Soy sauce (made in Japan), brown sugar, mirin, high-fructose corn syrup, sake, refined honey, corn starch, miso, yuzu pepper, chicken bouillon, yeast extract, pork bouillon, (Contains wheat, soy, chicken, and pork)
	Soft serve ice cream	Vanilla ice cream	Dairy products, sugar, vegetable oil, texturin, casein Na, emulsifier Stabilizer (cellulose, polysaccharide thickener, sodium alginate), whey mineral fragrance, pH adjuster, coloring (carotene)
		Corn cup	Wheat flour, sugar, vegetable oil, salt, emulsifier (soybean derived), coloring (annatto), fragrance
		soft serve ice cream	Strawberries, sugar, coloring (anthocyanin, safflower yellow), acidulant
		soft serve ice cream	Bean paste, sugar, soy, agar, salt, thickener (modified starch), sugars (starch syrup, high-fructose corn syrup, glucose) matcha, thickener (pectin), fragrance, gardenia pigment, pH adjuster
		Ninja soft serve ice cream	Starch syrup, brown sugar, brown sugar syrup (brown sugar, raw sugar, starch syrup), caramel color, fragrance, soybean
		Nyanmage soft serve ice cream	Wheat flour, sugar, margarine, eggs, almond powder, whole milk powder, salt leavening agent, emulsifier, coloring (yellow 4, red 102, blue 1, red 106, carotene), fragrance (Contains wheat, eggs, milk ingredients, and soy)

Ryogoku Tei	Fish cake	Surimi (cod, sea bream), squid, starch, egg white, sugars (sugar, glucose) Wheat flour, salt, mirin, vegetable oil (contains soy), cayenne pepper seasoning (amino acids, etc. derived from wheat, milk, mackerel, soy)	
	Oden	Radish, egg, konjac, fish cake (contains soy), fried fish and tofu, chikuwa, kelp Oden soup (soy sauce, salt, dried sardines, bonito flakes, mackerel flakes [contains wheat])	
	Miso dengaku	Konjac, soybean, starch syrup, yuzu juice, peel	
	Sweet sake	Rice, rice malt, sugar, salt	
	Corn	Corn (from Hokkaido), soy sauce (defatted processed soy, wheat, salt, alcohol)	
	Mochi skewer	Joshin flour, sugar, starch/sorbitol, sodium metaphosphate [contains wheat, yam, and soy] Sauce (miso, sugar, mirin, soy sauce, walnuts, honey, apple juice, perilla, salt)	
	Potato skewer	Potato, batter (bread crumbs, flour, rice flour, soy flour, whole egg powder, salt, vegetable oil, sugar), chicken bouillon seasoning (amino acid), thickener (CMC) [contains egg, wheat, chicken, and soy]	
	Franks with mochi	Vienna sausage, Joshin flour, salt, enzyme, soy sauce (defatted soybeans), potato flakes, milk (Contains eggs, wheat, and soy)	
	Fried noodles	Wheat flour, salt, modified starch, lye water, gardenia pigment Vegetables (cabbage, carrots), medium thick sauce, vegetable oil, powdered sauce caramel color, seasoning (amino acid), acidulant, sweetener (licorice extract) Stir frying oil (rapeseed oil, soybean oil) [Contains wheat, soy, chicken, pork, peaches, apples, and sesame]	
	Shaved ice	Syrup	High-fructose corn syrup, honey, fragrance, acidulant, sugar, coloring: strawberry (red 2), melon (yellow 4, blue 1) - Lemon (yellow 4) - Matcha (yellow 4, blue 1) - Mango (yellow 4, yellow 5)
		Raw syrup	Strawberry (sugar, strawberry, raspberry, citric acid) Lemon (sugar, Meyer lemon juice, Meyer lemon) Mango (mango, citric acid) Matcha (matcha, sugar)
		Milk	Raw milk, sucrose
	Soft serve ice cream	Corn cup	Wheat flour, corn starch, vegetable oil, sugar, corn flour, salt, Modified starch, coloring (annatto), fragrance, leavening agent, coloring (caramel), Ca hydroxide
		Vanilla	Dairy products, sugars (glucose, sugar, starch syrup), erythritol, egg yolk Dextrin, western liquor, trehalose, emulsifier, fragrance Stabilizer (polysaccharide thickener)
		Matcha	Dairy products, sugars (glucose, sugar), vegetable oil, erythritol Matcha, dextrin, emulsifier, trehalose Stabilizer (polysaccharide thickener), fragrance
Chocolate		Dairy products, sugars (glucose, sugar, high-fructose corn syrup), cacao mass Erythritol, vegetable oil, cocoa powder, dextrin Emulsifier, stabilizer (modified starch, polysaccharide thickener), fragrance	
Strawberry		Dairy products, sugars (sugar, glucose, starch syrup), strawberries, vegetable oils and fats Erythritol, dextrin, trehalose, emulsifier, fragrance, acidulant Red yeast rice pigment, stabilizer (polysaccharide thickener)	

	Lemonade	Lemon, granulated sugar, citric acid	
	Yuba taiyaki	Plain	Yuba (soybean)
		Soy sauce	Yuba (soybean), soybeans, sesame, roasted onion, sugar, fried garlic, fish sauce powder, pepper
		Sugar	Yuba (soybean), sugar

Fried potato stall	Fried potato	Potatoes, refined canola oil, salt	
--------------------	--------------	------------------------------------	--

Rice cracker making experience	Rice crackers	Rice, soy sauce (soy sauce, bonito extract, mirin, starch/caramel color, seasoning (amino acids, etc.), modified starch) [Contains wheat and soy]	
--------------------------------	---------------	---	--

Free squid stall (irregular)	Japanese common squid	Japanese common squid	
------------------------------	-----------------------	-----------------------	--
